Home Learning Overview for Year 6 - Week Beginning Monday 4th May 2020

We've really enjoyed sharing all your learning with you on Seesaw last week, a huge well done to everyone! We have provided the following learning tasks for the week ahead across a range of subject areas. We understand that situations will differ hugely amongst families, but as a school, it is our ultimate aim to deliver consistency in learning at this tricky time. Please complete the learning tasks as creatively and as flexibly as you need to. Make the learning work best for you in your household - some may be inaccessible...we understand. If you have any questions about the tasks, you can email class teachers who will try and help you.

**RRS: Article 28: Every child has the right to an education**

---

**English: Reading (SeeSaw)**

Continuing with our Time Capsule lessons, can you create a speech that is worthy of a standing ovation?
- Watch the YouTube clip, note down the good and bad things about this speech.
- Write 5 rules of writing a speech.
- Create your speech imploiring people to do what they can to stop the spread of Covid-19.
- Use the attached document to guide you.
- Present your final speech in a video format and upload to Seesaw.

---

**English: Diary Writing (Seesaw)**

Using your learning of WW2 from the beginning of the year create a series of three diary entries focusing on the five-year occupation of Jersey. You should include an entry from the first day the island was occupied as well as an entry from that special day when Jersey was Liberated.

As we have already learnt about the features of a diary, we would love to see all of these included in your work. Please make sure you upload your diary entries each day to Seesaw. Remember to edit and up-level your work before submitting. You were becoming really skilled at this last term!

---

**English: SPAG (Spelling, Punctuation & Grammar)**

**Online (Education City):** Log in to Education City to complete the assessment set for this week. Don’t worry if some spelling patterns look unfamiliar, we will look to cover these in the upcoming weeks.

---

**Bank Holidays:**

We hope you have a restful and enjoyable time during the two bank holidays this week (Monday 4th and Friday 8th).

---

**Maths: Area & Perimeter (Education City)**

On Tuesday, Wednesday and Thursday a new activity will be set in order to revise and consolidate our previous learning on area and perimeter from the Spring term. Please don’t worry if you find some of these activities challenging as we can revisit these concepts in the upcoming weeks.

For some of you, this is the perfect opportunity to see how much of the learning you have retained and a chance to go deeper with your understanding.

---

**Maths Fluency: TTRS Battle**

A new battle begins today. 5LB are battling 6BU and 5K are battling 6A. Win as many points as you can for your class... will Year 6 be victorious this time?

Please also remember to access TTRS and Numbots regularly in order to maintain your fluency (20 minutes a day).

---

**Computing: Code.org & Typing.com**

Please log in to both sites and continue with your assigned units. Remember all passwords should be in your computing journal which was given out on the last week of school.

---

**PSHE & C: Survey for Children**

Children and young people in Jersey are being encouraged to complete a confidential survey to share their thoughts and feelings about the coronavirus pandemic. The survey is a collaborative project between the Government of Jersey's Department for Children, Young People, Education and Skills and the Children’s Commissioner.

The closing date is Friday 8th May 2020.

---

**Art: Liberation Day**

To mark the 75th anniversary of Jersey’s Liberation following Occupation during WW2 we would like you to create your own masterpiece to celebrate Jersey’s history.

You can create your masterpiece using whatever medium you like from pencil to paint to papier Mache or even embroidery.

For inspiration research some local pieces such as the Liberation Sculpture, the Occupation tapestry or even try and spot your face in the Face of Liberation project.

---

**PE (Seesaw)**

Create your own Joe Wickes style exercise tutorial. This can be a short circuit session of basic exercises or an explanation of how to carry out the perfect exercise such as a: plank, push up, squat the list is endless.

We can’t wait to see how you are all staying fit and active during lockdown. Extra points will be given if you can get family members to join in!
