NT shared report from Jon Boleat our Treasurer:

Fundraising events raised a total of: £11,956 last year (compared to £8,905 last year)

We spent approximately £994 on these events (compared to £1,622 last year). So, it's a great return of approx. £11,000.

We received a £5,000 grant from the Ana Leaf Foundation for the library. This, combined with surplus funds of £8k brought forward, mean that we have just over £24,000 in reserves to distribute.

We gave our annual donation of £2000 to the McGugan Family Trust. The PSA has been holding their money, but this has all been transferred to their own bank account now.
