Welcome & Discussions

New PSA Roles

Pre-Loved Uniform Manager – Nina Lodwick-Campbell

New Communications Lead – Lorraine Falle

Fundraising

Mrs Keys mentioned fundraising for the music department (£1000) for Drums and Boom whackers.

Grouville school has been picked by the Education Department to fund suitable shade in the school playground. The proposal is with Nichola. The PSA might also need to help with funding.

Disco Lead – Bella

DJ Nelson invoice to be forwarded to the Treasurer Lynda.

Tickets will be £4 with drink & crisp.

Offering a sibling discount was discussed.

We are not sure how parents will pay for tickets yet.

It was mentioned that we can't assume teachers will be able to help due to their Union strikes.

It was noted that we need someone at the front door signing children in with knowledge of lots of children in the school.

It has been mentioned to parents of nursery/reception children to stay at the disco with their children as it is a new experience for them and can be overwhelming.

Glow in the dark tattoos have been ordered.

Bella will set up the volunteer link for the Disco. It was also noted from the last disco to put two volunteers together who are supervising in the hall or supervising doors.

It was noted one first aider present at each session.

Selina suggested getting a professional face painter but unfortunately there is just too many children in a small-time window to face paint. We need to keep the face painting simple.

Lorraine suggested a sensory calm down area during the disco. We will see if this can be incorporated into the venue.

Santa Lead – Nina.

Nina to speak to Nicola to book Santa.

Christmas Raffle Lead - Mike & Selina

Mike has proposed a Christmas raffle with Christmas related vouchers.

Speak to school secretaries regarding distributing raffle booklets so that only one booklet goes to one family.

Raffle booklet will always go to the primary career or the parent that collects that day.

Next Meeting

7th November 6pm
